THANK OFFERING

GRATEFUL GIVING TOGETHER

God has blessed each of us through His abundant love and grace. Take time in this Season to count all the blessings God has given to you and your family. Now is your opportunity to give back to God for the many blessings you have been given.

**This month we encourage you to offer a
Thank Offering above your regular
tithes and offerings.**

**All contributions will help us to catch up on
our budget and reduce our deficit.**
